(2012-01-15 03:32) vj: <-- kicks self for assuming. Should have asked for the code long ago. Just didn't see the need. Mark it down as a learning experience for me as well.

(2012-01-15 03:33) myself: this whole thing has been on a wing and a prayer. besides basic php and html, I've learned everything on the fly

(2012-01-15 03:33) vj: Well, I'm glad I didn't go for that nap, this was much more rewarding.

(2012-01-15 03:34) vj: and you've done a damn fine job! But you're becoming more of a target for hackers, and better ones as time goes by.

(2012-01-15 03:34) myself: I hadn't opened a linux terminal until I left freedom hosting a month after the site launched

(2012-01-15 03:34) vj: Just thank FSM that they didn't start on you earlier.

(2012-01-15 03:34) myself: fsm?

(2012-01-15 03:34) vj: \$Diety

(2012-01-15 03:34) myself: ahh

(2012-01-15 03:34) vj: Flying Spag

(2012-01-15 03:35) myself: I've been incredibly blessed

(2012-01-15 03:35) vj: I have a lot of admiration for the big brain on you.

(2012-01-15 03:35) vj: I don't know 2 other people that could have done it.

(2012-01-15 03:35) myself: I was a hairs breath from going to jail before the site even launched for growing shrooms
