5 of 5	half of my order was mishandled by postal service but ST made everything right. A+ communication & service, all things considered	8 days
5 of 5	Timely shipment.	1 month
5 of 5	SuperTrips does it again I have been dealing with SuperTrips for a while and he has ALWAYS come through. Good communication always and very stand up and reasonable guy. He is definitely one of the top vendors on SR and is undoubtedly doing the best job he can with the amount of orders he recieves. All my packages were guaranteed and arrived EXACTLY as described. One package I ordered got fumbled in the postal system and SuperTrips made it right with no hesitation. Don't believe any of these slanderous feedbacks because SuperTrips stands true to his product and policies on his vendor page. Excellent new even more stealth packaging and quickest ever shipping times - 12 days to US. Thanks SuperTrips. I will 100% be back for more business as usual. A++	1 month
