hey gang, we have a new moderator going by the name cirrus. we used to know him as scout. cirrus has always been dedicated to our common goals and the community at large and we've put what happened surrounding mr wonderful behind us so he can come back onto the team. the scout persona is still off limits and should not be discussed, so we'll always refer to cirrus as cirrus even though we know the same person is behind both accounts.

reading list: mises.org/books/newliberty.pdf, anarchism.net/newlibertarianmanifesto.htm

cirrus as cirrus even though we know the same person is behind both accounts.

Welcome back cirrus, good to have you back on board 😊
