**[Pages 383-384 of 1,096]**

**(2012-01-26 18:58) myself:**     also, there is no sr user called smedley, I guess he hasn't make him yet

**(2012-01-26 18:58) myself:**     pretty great.  speaking of spliffs, they are abundant here, so I may just have to partake :)

**(2012-01-26 18:58) vj:**     Ah, I'll send him a note about that - when he said he was on at both sites, I guess he meant the private forums and the SRForums

**(2012-01-26 18:59) vj:**     Yeah, had zero sleep last night due to leg/muscle cramps, and there was in the mail today a 1oz. time of Tangerine pheno AOrange from ~s, that's taken about a month to wend it's way to me. Kismet, I say.

**(2012-01-26 19:00) vj:**     1oz. tin., oops.

**(2012-01-26 19:02) vj:**     Are you managing to relax?

**(2012-01-26 19:02) myself:**     yea, for sure.  friendly folks everywhere.  very relaxing environment.

**(2012-01-26 19:02) vj:**     Sounds very Thai

**(2012-01-26 19:03) myself:**     haha, I didn't expect you to start guessing

**(2012-01-26 19:03) vj:**     Heh - was a comment, not a guess. I love thailand for the weather, the people, and the weed ain't bad either.

**[Pages 410-411 of 1,096]**

**(2012-02-01 19:10) myself:**     ok, yea I keep all of my income/expenses from the site on a spreadsheet

                                    …

**(2012-02-01 19:16) vj:**     how many concurrent users does the site have?

**(2012-02-01 19:17) myself:**     I'm actually not sure

**(2012-02-01 19:17) myself:**       I think I have 24 hrs, lemme see

**(2012-02-01 19:17) vj:**       k

**(2012-02-01 19:17) vj:**       <-- making a coffee, back in 3

**(2012-02-01 19:18) myself:**       unique users logged in:
                                                    day: 6073
                                                    week: 17589
                                                    month: 38021
                                                    quarter: 72830

**(2012-02-01 19:21) vj:**       interesting numbers - the big question is how many concurrent

**(2012-02-01 19:22) vj:**       I'd like to know how many last night when it gacked.

**(2012-02-01 19:22) vj:**       the old server was 4 cores and 16 gb?

**(2012-02-01 19:22) myself:**       lemme see

**(2012-02-01 19:23) myself:**       4 core 4 gb

**(2012-02-01 19:23) vj:**       well all things being consistent, it will surely grab some well - needed headroom

**(2012-02-01 19:24) vj:**       have you thought about SR2 / utah / easter bunny

**(2012-02-01 19:25) vj:**       and how to intertwine them all

**(2012-02-01 19:25) vj:**       <-- thinks we should sit on our hands for a day or two, see how things shake out

**(2012-02-01 19:25) myself:**       ok

**(2012-02-01 19:25) vj:**       We'll have better info to make a decision the more time we give it.

**(2012-02-01 19:26) myself:**       yea, no rush

**(2012-02-01 19:26) vj:**       let's dicuss it again on Friday then.

**(2012-02-01 19:26) myself:**     was thinking of giving him the choice

**(2012-02-01 19:27) vj:**     So yeah, that's my things for today then. Don't need coin from you for a while, and we'll let utah/smed interact a bit more before we make any decisions there. Anything on your mind today?

**(2012-02-01 19:28) myself:**     took the day off.  ran around beaches and jungles with some girls, very little on my mind :D

**(2012-02-01 19:28) vj:**     girls and jungles, life dont' get any better for o'l Dread Pirate Roberts, eh.

**(2012-02-01 19:29) vj:**     But we'll hear no more of your fancy agorist beaches and babes talk!
