(2012-11-15 21:42) myself: just got this

(2012-11-15 21:42) myself: I'm not sure if tormail is not receiving emails atm, but funds are coming in.

I was able to exploit a vulnerability in one of the pages on silk road in a way that will cause a DOS attack and SQLi attack.

(2012-11-15 22:52) myself: had to swallow my pride there

(2012-11-15 22:52) cimon: I know, but fuck it, let's keep our eye on the ball, and the ball is keeping the site open

(2012-11-15 22:53) cimon: heh, yer still way richer than he! :)

(2012-11-15 22:54) myself: can't wait to put this behind me

(2012-11-15 22:54) cimon: Has this fucked up your travel plans

(2012-11-15 22:55) cimon: And have you slept recently

(2012-11-15 22:55) myself: just stressed me out

(2012-11-15 22:55) myself: I am rested

(2012-11-15 22:55) myself: and I am done travelling

(2012-11-15 22:55) myself: for a little while anyway
