(2011-10-06 19:41) r: Hey man, I've got an idea how we both can make a little bit of money

(2011-10-06 19:41) myself: i like money

(2011-10-06 19:41) r: You don't have a job besides the site right now, do you?

(2011-10-06 19:41) myself: nope

(2011-10-06 19:42) r: ok, hear me out. If it's not your bag, that's fine

(2011-10-06 19:42) myself: right on

(2011-10-06 19:42) r: I've got lots of stuff I've been meaning to ebay, but I don't have the time

(2011-10-06 19:43) r: How about I give it to you, you sell it and take care of packaging and I give you 20%

(2011-10-06 19:43) r: and you can pay me my share in BTC

(2011-10-06 19:43) myself: haha, I need someone to do that for me too!

(2011-10-06 19:43) r: haha

(2011-10-06 19:43) myself: I still haven't sold my two cars

(2011-10-06 19:44) r: well, that's a little harder to do on ebay

(2011-10-06 19:44) myself: yea, that's a craigslist project

(2011-10-06 19:44) r: I've got like an old radar detector and an old GPS

(2011-10-06 19:45) r: a police scanner I haven't programmed since I moved and I don't use anymore

(2011-10-06 19:45) r: that kinda of stuff

(2011-10-06 19:46) r: well, if you decide that's something you wanna do, let me know

(2011-10-06 19:46) r: otherwise I'll probably just find one of those local services

(2011-10-06 19:47) myself: i have a friend who just lost a job that might want to do it

(2011-10-06 19:47) r: ok, as long as he's trustworthy

(2011-10-06 19:47) myself: I'll have him contact you
