- (2012-03-03 20:06) da:** Hey I'm curious about something
- (2012-03-03 20:06) myself:** what's up man
- (2012-03-03 20:08) da:** When you first started SR it must have been hard to get the words aorund, it being a .onion
- There was a mod KindBud who was part of GreenCo, who was here from week one. Which means they most liekly heard it form the place you first advertised. But then they dissapeared, and ever since I have wondered what happened (we were in the middle of a conversation and had been doing allot of buissness).
- (2012-03-03 20:09) myself:** Ya know I almost forgot about KindBud and GreenCo. I honestly don't know what happened to them.
- (2012-03-03 20:09) da:** How did you get the word out there? It would almost seem you owuld have had to all ready know email vendors, etc. Or else you advertised at other forums, which means I might be able to find them else where.
- (2012-03-03 20:10) myself:** It's gotten back to me on more than one occasion that a vendor has been busted, but whenever I ask further, it's always from deals irl gone bad
- (2012-03-03 20:10) da:** (If you can;t tell that's cool)
- (2012-03-03 20:10) myself:** you know what I did
- (2012-03-03 20:10) myself:** I made one thread on the forums at bitcointalk.org
- (2012-03-03 20:10) myself:** and made a blog at wordpress.com with instructions
- (2012-03-03 20:11) myself:** both go taken down pretty quickly
- (2012-03-03 20:11) myself:** the rest was word of mouth
- (2012-03-03 20:11) myself:** and pr
